

The Anti Sanctions Coalition of Concerned Academics and Popular Organizations, invites you to join us in an important forum entitled

Sanctions are Acts of War!

Presentation and Analysis from:
The Republic of Zimbabwe
The State of Eritrea
The Republic of Cuba
The Republic of Nicaragua

Wednesday, October 25th 2023, 5:30 to 8PM

**Howard University's Ralph Bunche
International Affairs Center**

2218 6th Street NW, Washington DC

In all cases the sanctions punish the people. The poorer and most disadvantaged generally suffer the most. The governments sponsoring sanctions claim they are serving the people and defending human rights. The truth is they are committing aggressive acts of war.
